

Dear Madam, Sir,  
Dear Laurent

*Febeliec thanks the CREG for the opportunity to respond to this draft decision. Substantial pieces of crucial information are either confidential or otherwise unavailable for most stakeholders. For this draft decision, the unavailability of the KMPG study upon which Electrabel based its complaint and proposed amendment makes it very difficult for Febeliec to take a clear position.*

*On the basis of the available information, Febeliec has no arguments to disagree with the proposed amended decision.*

Kind regards,

*Peter Claes\**
